

Your Treatment Diary

Using this diary

To ensure you are getting the most out of your treatment, it is important that you follow your dosing schedule exactly as prescribed and as laid out in the patient information leaflet included in your package of KESIMPTA®.

This diary can help you keep track of your injection schedule and appointments. It also includes pages for you to make a note of your symptoms and how you are feeling on a monthly basis.

Treatment diary

Week 0 (dose 1)

How am I feeling?

.....

.....

Date:.....

Where did I inject myself? Circle your injection site on the diagram.

Did I notice anything I want to record to speak to my doctor or nurse about?

.....

.....

.....

.....
